2. **DEVELOPMENT FEES:** This is still a hot item, no statement this month from the County, still auditing and correcting reports.

The County approved them for permits even though permit fees were not paid. They now need to be accessed. This issue was discussed further. #### **OLD BUSINESS:**

1. **2009/2010 FINAL BUDGET ADOPTION:** Questions stated by Chairman Robert Larsen regarding the FAMIS Report, Reserves of \$400,000.00, undesignated reserves – not inclusive of Trust money's held. Chief Cunningham is having frustration with this. The Budget needs to be adoption. Assumptions for the budget are the 2008/2009 figures. Questions regarding wages and benefits detail discussed. Andre Toutjian will only be with us a partial year. Discussed revenue detail – Cost Recovery fees for responding to calls. Strike Teams also discussed and payments due in. Discussed Miscellaneous Retirement – PERS, Non-Safety Personnel, Battalion Chief position remaining unfilled. Discussed the 8% wage cut included for all personnel. Chief Cunningham discussed other changes. Administrative Fees from the County should be reduced. Class 40 and 60 are in line. Re-allocated personnel with reference to the JPA Budget and this will occur this month. Extra help and overtime not reduced. There is no way to estimate major occurrences later in the year. Revenue is more accurate than in past years and is significantly reduced. Chief Cunningham stated we will lose interest this year. Mark requested a copy of the budget. Motion made by Jackye Phillips to adopt the 2009/2010 Final Budget. Motion seconded by Bill Flynn. Roll call vote as follows:

Ed Cunha	Aye
Bill Flynn	Aye
Charles Hoff	Aye
Jackye Phillips	Aye

Carried by 4 votes.

**NEW BUSINESS:**

- 1. **MOU REVISION:** Motion made by Ed Cunha to amend the MOU affecting Board 2.5.1 Basic Wage Plan. Also requesting the Board Members request an 8% reduction to their monthly stipend. Chief Cunningham directed to bring back the amendment to the Board Policy. Motion made by Jackye Phillips to adopt the revision/amendment. Roll call vote as follows:

Bill Flynn	Aye

Carried unanimously.

Motion made by Charles Hoff make a Resolution and to commend the employees for a job well done during this time of crisis. Motion seconded by Bill Flynn.

- 2. **DRAFT MOU REVISION:** Chief Cunningham discussed the tiered health insurance plan, stating options are narrow. The only real options available to future employees. PERS only recognizes their own system of tiering. The Vesting program explained. This would not affect anyone who currently works for the District. This is not an action item, will push to act on in the future.

- 3. **AUDIT SERVICES:** Chief Cunningham requested authorization to retain Vaughn Johnson, CPA for the 2008/2009 fiscal year audit and address the Board, part of the audit is the revenue issue. She is currently completing the 2007/2008 audit. We need to show differences between the County figures and the District. The differences may possibly be due to timing issues We need both audits to compare for accurately understanding differences. A budget is the best guess, not reality, very possibly over expended. The audits should give a better picture. Motion made by Charles Hoff to retain the services of Vaughn Johnson, CPA for the 2008/2009 fiscal year audit. Motion seconded by Jackye Phillips. Roll call vote as follows:

Ed Cunha	Aye
Bill Flynn	Aye
Charles Hoff	Aye
