

RESOLUTION 2007-03

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE DIAMOND SPRINGS / EL DORADO FIRE PROTECTION DISTRICT DEFINING THE DEADLINE FOR PLANS FOR SUBMITTAL AND APPROVAL TO DIAMOND SPRINGS / EL DORADO FIRE PROTECTION DISTRICT

WHEREAS, the Board of Directors conducted a hearing to establish a Fire Code to help insure public safety, and

WHEREAS, the hearing was advertised and noticed as required by law, and

WHEREAS, the State has adopted the amended California version of the International Code Council (ICC) family of model codes in July 2007, and

WHEREAS, the State has adopted the amended California version of the International Fire Code (IFC) to take effect January 1, 2008, and

WHEREAS, the fire protection districts of El Dorado County are adopting additional amendments to the California version of the International Fire Code (IFC) to take effect early 2008 that address our specific climate, geology, and topography,

NOW, THEREFORE BE IT RESOLVED by the Board of Directors of the Diamond Springs / El Dorado Fire Protection District that any plans submitted for review and approval after December 31, 2007 be subject to the amended versions of the International Code Council (ICC) family of model codes.

The foregoing resolution was passed and adopted by the Board of Directors of the Diamond Springs-El Dorado Fire Protection District at a meeting of said Board held on the 14th day of November, 2007, by the following vote:
