**IMPORTANT!** The people on this list will be sent when a strike team engine is requested and time permits. If the request requires a quick response and individuals on the list cannot respond in time, personnel who are immediately available will be sent.

We have had a problem in the past where people on the list for a specific time have declined to go, even when they knew they were on the list. Take the time to look over the list carefully. If you decline to go on a strike team when your name is on the list, you may be dropped from participation for next year. Advise your Captain or the duty chief **IMMEDIATELY** if you become unavailable for your strike team assignment. **GET YOUR GEAR READY TO GO !!!!!**
